Key Details

- Sewing Machine Not Required

Provided by Tutor

- Different types of paints for use in the class
- Shiva sticks, inkense pencils and blocks
- Fabric pack as a base for surface design. These will include white and pre-dyed fabric (Equivalent to 7 fat quarters)
- Stencils, stamps and other objects for surface design

Needs

Supplies

- Apron or old clothes in case you get paint on these
- Rubber gloves (I prefer disposable fitting gloves and will have some on hand if you want to try these)
- Paint tray and roller - you get these from Mitre10, Bunnings or your local hardware store. You need a small tray that comes with a handle and two foam rollers (cost about \$12 - \$15)
- If you have dyed fabric you would like to use as well feel free to bring it along
- Any stamps/ stencils or objects you would like to play with (optional as I will have plenty)
- An old towel or padded surface (makes the stamping more effective to have some give in the surface)

- 6 small pieces of hand printed coordinated fabric
- 3 x Embroidery Threads to go coordinate with fabrics
- Fused applique shapes
- A length of batting – approx. 40 in x 4 in
- Backing material approx. size of batting

Bring Your Own

- 6 Scraps of fabric to stitch on that are all approx. 10 in x 4 in
- A selection of embroidery threads
- Small scraps of fabric to fuse or stitch onto scroll
- Small amount of fusible webbing
- Batting to match size of scroll you want to make
- Backing material approx. size of batting

Slow Stitch Scroll

You can also bring a selection of buttons, beads, scraps of material to add to your scroll (optional). You can always add these later when finishing your piece at home. Bring along any extra threads you may have to play with and add to your bits and pieces or to the kit if used. Remember that you only need little bits and pieces of fabric and fusing for adding shapes to your scroll. Leftover scraps are good.
