- Sashiko thread or Perle cotton 5 in chosen colour, embroidery threads
- Your glasses if you need them

- Half metre of chosen fabric which doesn't have too tight a weave (ie not batik as it is hard to hand stitch through) – I suggest a plain medium weight linen or Homespun. If you want to do Hitomizashi (one stitch sashiko). To save having to mark your fabric in a grid you can buy premarked dot fabric by Olympus. This is called 'Just Dots' and is available in quilt shops.
