Key Details

- Sewing Machine Not Required

Needs

Supplies

- 4 double spread pages cut 10" by 5"

Linen or thicker fabric are best but not essential, they can be the same colour. If you want more body to your page you can always iron on a stabiliser fabric. We will cut the pages in class.

- A cover and a cover backing cut 17" by 10" this can be chosen later so it reflects what you have done in your book

The cover needs to be plainish so you can decorate it, but the lining might be a print co-ordinating your scrap fabric (see below)

- A collection of small print scraps in your chosen colourway

Small pieces are fine, but you might like to use one for your cover backing fabric.

Include a plain or two as well. A narrow stripe might work well too. You don't need to go shopping just raid what you have!

Optional (Collect some of the Following, Packs Available for Sale)

- Laces – narrow and wide, old or new
- Buttons – on the smaller side is better, sets of tiny ones are useful, white or cream is good but also colours that go your chosen scrap fabrics, novelty shapes – hearts, flowers, etc
- Beads - creams or colours to go with your fabric scraps
- Sequins
- Motifs
- Doilies
- Ribbons
