Needs

Supplies

- Batik fabrics work really well for this type of fused raw edge applique
- Large 18" block uses a fat quarter for the applique
- 12" blocks need at least a 10" square for the applique
- Background fabrics (white is shown a light colour works well) require 20" squares or 13" squares
- Cotton or cotton blend batting also 20" square or 13" square
- Fusible web needs to be 18" square or 10" square
- Backing fabric needs to be a little larger than the batting
- Thread to match the applique fabrics.
- Thread to match the background (light) fabric
- Free-motion sewing foot for the sewing machine
- Squares of paper - 18" and 12"
- Pencil
- Sharp scissors for cutting the applique, also for paper cutting
